It is common to divide the history of English into three periods and old, a middle and an early modern one.

The justification for this is partly external and partly internal. The Old English period begins in the middle of the 5th century with the coming of Germanic tribes to settle in England. The Middle English period begins with the conquest of

EAU History. The origins of our continent-wide Association stretch back to the early 1970s. In over forty years, the EAU has grown enormously in both membership and scope. The foundation of the EAU transcended the political climate that initially divided the continent, putting the improvement of patient care at the forefront of everything it does.

ESSENTIAL HISTORICAL BACKGROUND For our purposes it is convenient to divide the history of Europe into three periods. The first spans about a thousand years, from 500 BC, when Athens began to emerge as the dominant intellectual and cultural centre of Greece, to AD 500. It is the period of antiquity, of Ancient Greece and Ancient Rome.
