Islamism is a concept whose meaning has been debated in both public and academic contexts. The term can refer to diverse forms of social and political activism advocating that public and political life should be guided by Islamic principles or more specifically to movements which call for full implementation of sharia. It is commonly used interchangeably with the terms political Islam or ...

The Israeli-Palestinian conflict has its roots in the late 19th and early 20th centuries, with the birth of major nationalist movements among the Jews and among the Arabs, both geared towards attaining sovereignty for their people in the Middle East. The collision between those two forces in southern Levant and the emergence of Palestinian nationalism in the 1920s eventually escalated into ...
