

faith and reason a pdf

In the context of religion, one can define faith as confidence or trust in a particular system of religious belief. Religious people often think of faith as confidence based on a perceived degree of warrant, while others who are more skeptical of religion tend to think of faith as simply belief without evidence.

Faith - Wikipedia

Faith and rationality are two ideologies that exist in varying degrees of conflict or compatibility. Rationality is based on reason or facts. Faith is belief in inspiration, revelation, or authority. The word faith sometimes refers to a belief that is held with lack of reason or evidence, a belief that is held in spite of or against reason or evidence, or it can refer to belief based upon a ...
