

first aid in english pdf

First aid is the assistance given to any person suffering a serious illness or injury, with care provided to preserve life, prevent the condition from worsening, or to promote recovery. It includes initial intervention in a serious condition prior to professional medical help being available, such as performing cardiopulmonary resuscitation (CPR) while awaiting an ambulance, as well as the ...

First aid - Wikipedia

A first aid kit is a collection of supplies and equipment that is used to give medical treatment. There is a wide variation in the contents of first aid kits based on the knowledge and experience of those putting it together, the differing first aid requirements of the area where it may be used and variations in legislation or regulation in a given area.

English on the Web

An estimated 30 million people in the U.S. have an eating disorder in any given year. Despite the stereotype that eating disorders affect predominantly young women and teens, nearly one-third of those with eating

disorders are men.
