Publication history. Following the events of company-wide crossovers Crisis on Infinite Earths and Legends, Justice League of America writer J. M. DeMatteis was paired with writer Keith Giffen and artist Kevin Maguire on a new Justice League series. However, at the time, most of the core Justice League characters were unavailable.

Justice League International - Wikipedia

Nightwing is a fictional superhero appearing in American comic books published by DC Comics. The character has appeared in various incarnations, with the Nightwing identity most prominently being adopted by Dick Grayson when he moved on from his role as Batman's vigilante partner Robin.. Although Nightwing is commonly associated with Batman, the title and concept have origins in classic ...
