This article's lead section does not adequately summarize key points of its contents. Please consider expanding the lead to provide an accessible overview of all important aspects of the article. Please discuss this issue on the article's talk page. (October 2018)

Agricultural policy of the United States - Wikipedia

This is a list of political topics, including political science terms, political philosophies, political issues, etc. Politics is the process by which groups of people make decisions. Although the term is generally applied to behavior within civil governments, politics is observed in all human group interactions, including corporate, academic, and religious institutions.
