## **freedom in exile the pdf**

The term "Cuban exile" refers to the many Cubans who fled from or left the island of Cuba. These people consist of two primary groups loosely defined by the period of time occurring before and after the Mariel boat lift of the 1980s. The pre-Mariel group consisted of the mostly middle and upper classes of the island who fled due to fear of widespread reprisals after the communist takeover led ...

Freedom of information is an extension of freedom of speech where the medium of expression is the Internet. Freedom of information may also refer to the right to privacy in the context of the Internet and information technology. As with the right to freedom of expression, the right to privacy is a recognised human right and freedom of information acts as an extension to this right.
