Ethnic pornography is a genre of pornography featuring performers of specific ethnic groups, or depictions of interracial sexual activity. Though productions can feature any type of ethnic group (Caucasian, Asian, African American, Native American), the most common emphasis is on relationships between white- and black-skinned individuals.

Xenophobia is the fear and distrust of that which is perceived to be foreign or strange. Xenophobia can involve perceptions of an ingroup towards an outgroup and can manifest itself in suspicion of the activities of others, and a desire to eliminate their presence to secure a presumed purity and may relate to a fear of losing national, ethnic or racial identity.
