OCR Nationals are vocationally related qualifications which were officially launched by the OCR Board in September 2004. The qualifications are designed to meet the needs of those seeking vocational education in place of the traditional, theory-intensive, academic route. Although the target audience are teenagers (14-19), the qualifications are also suitable for adult learners, much like the GNVQ.

OCR Nationals - Wikipedia

In this race against the clock students work as a team to build the highest tower possible out of dried spaghetti and marshmallows. The objective of this lesson is to explore structures and investigate what methods of building can make the tallest and strongest structure.

Spaghetti Challenge: STEM activity by

This page contains links to past papers on exam board websites. The main page for each specification is also linked to. Please update this page if you find updated information on the exam boards' websites or if specifications change.
