### **Writing in Math Class - Reading Rockets**

On the one hand he had shown a great lack of manual dexterity, but he now showed that he had great talents for learning, especially mathematics. His teachers at the École Centrale were extremely impressed and encouraged him to sit the entrance examinations for the École Polytechnique in Paris.

### **Great Math Stories - Real Roleplaying Forums**

Credit for this must go largely to two teachers of mathematics at Caen, C Gadbled and P Le Canu of whom little is known except that they realised Laplace's great mathematical potential. Once he knew that mathematics was to be his subject, Laplace left Caen without taking his degree, and went to Paris.
