For the student learning to fly helicopters in the 21st century, this book is one of the essential keys to flight. Helicopter pilots need to thoroughly understand the consequences of their actions, and base them upon sound technical knowledge.

Principles of Helicopter Flight (eBook PD)

The Basic Helicopter Handbook is a paperback, fairly simplified text useful to beginning students of helicopter principles. With an obviously American slant to the theory, maybe not as useful to JAA students, but ideal for FAA students.
