"A History Of Magic" | Hogwarts Library

New forms of magic appeared among the middle and upper class. This highlights how magic has endured throughout the 19th century into the 21st century with many people using charms, spells, signs, omens and curses. The profession of magic has now become more professionalized with historians documenting a lot about the history of magic.

Overall, this book is more a of a encyclopedia or detailed glossary of the history of magic and the occult rather than a book that explores the evolution of magic and the occult throughout history. When you jump into knowing it is less about the evolution of but the explanation of different piece of magic/occult, I think it is easier to swallow.

Grimoires: A History Of Magic Books By Owen Davies

The Native American wizarding community was particularly gifted in animal and plant magic, its potions in particular being of a sophistication beyond much that was known in Europe. The most glaring difference between magic practised by Native Americans and the wizards of Europe was the absence of a wand. The magic wand originated in Europe.
