The Virginia State Library is an important resource for pre-1863 West Virginia research. To learn more about the history and record-keeping systems of West Virginia counties, use the 13 inventories of the county archives published by the Historical Records Survey around 1940. The Family History Library has copies of all of these inventories.

John Alexander Williams's West Virginia: A History is widely considered one of the finest books ever written about the state. In his clear, eminently readable style, Williams organizes the tangled strands of West Virginia's past around a few dramatic events—the battle of Point Pleasant, John Brown's insurrection in Harper's Ferry, the Paint ...
