The old man stood looking over everything he had done, everything he had built. 5. He shook hands with his old business partner, the man who had long been his friend and confidant.

30 Very Short Tales Of Horror That Are Better Than Most

Decent short story that was a little too predictable to garner more than a three star rating from me. This was not really a horror story, but as other reviewers have mentioned, it falls more comfortably in the dark fantasy genre. The writing is done quite well, but there is nothing new here. Again, a solid three stars.
