Hot Shot is the fifth studio album released by Jamaican-American singer Shaggy. The album was first released on August 8, 2000, in the United States, before being issued in the United Kingdom on 5 February 2001, with a revised track listing. The revised UK edition was also released in Europe, but without the song "Why You Mad at Me?".

Shot is a collective term for small balls or pellets, often made of lead. These were the original projectiles for shotguns and are still fired primarily from shotguns and less commonly from riot guns and grenade launchers, although shot shells are available in many pistol calibers in a configuration called "bird shot", "rat-shot", or "snake shot". Lead shot is also used for a variety of other ...

About 20 years ago, I agreed to get a flu shot on my doctor's advice. While I was very healthy at that time, rarely got ill other than a few sniffles now and then, I have a history of allergies and asthma, so I'm in the set of people that gets pressured by all my doctors every year to get a flu shot every year.
