

how languages are learned pdf

There are perhaps 500 languages spoken in Nigeria. The official language of Nigeria is English, the former language of colonial British Nigeria. As reported in 2003, Nigerian English and Nigerian Pidgin were spoken as a second language by 60 million people in Nigeria. Communication in the English language is much more popular in the country's urban communities than it is in the rural areas, due ...

Languages of Nigeria - Wikipedia

"The revised and newly designated World-Readiness Standards for Learning Languages build on the existing and now familiar five goals (Communication, Cultures, Connections, Comparisons, Communities) with a clear and comprehensive articulation of the previous Standards through the addition of literacy and career readiness for K-16+ students." — Frank Nuessel, Immediate Past President ...

World-Readiness Standards for Learning Languages

Multilingualism is the use of more than one language, either by an individual speaker or by a community of speakers. It is believed that multilingual speakers outnumber monolingual speakers in the world's population. More than half of all Europeans claim to speak at least one language other than their mother tongue; but many read and write in one language.

Languages are a fundamental aspect of people's lives and the democratic functioning of society. In response to the needs identified in or by its member states, the Council of Europe has been working over the past few decades to compile a set of resources made available to education authorities and professionals and benefiting all Europe's citizens (see milestones).
