Sexual intercourse is perhaps 385 million years old, and it is likely that the oldest jawed fish on Earth was the first animal to reproduce by copulation. Reproduction among humans usually occurs with penile-vaginal penetration. Male orgasm usually includes ejaculation, a series of muscular contractions that deliver semen containing male gametes known as sperm cells or spermatozoa from the ...

The word "love" can have a variety of related but distinct meanings in different contexts. Many other languages use multiple words to express some of the different concepts that in English are denoted as "love"; one example is the plurality of Greek words for "love" which includes agape and eros. Cultural differences in conceptualizing love thus doubly impede the establishment of a universal ...
