Best Websites for Teaching & Learning 2013 | American

Civics or civic education is the study of the theoretical, political and practical aspects of citizenship, as well as its rights and duties. It includes the study of civil law and civil code, and the study of government with attention to the role of citizens as opposed to external factors in the operation and oversight of government.

Civics - Wikipedia

This page was scanned for broken links and updated on September 25, 2018. This page contains lesson plans for all social studies subjects except geography, history, psychology, sociology, anthropology, and archaeology. Lesson for those subjects have been moved to separate pages, but can still be accessed from the index.
