Increased physical activity for children may save billions Here's another reason to get your kids up and moving: Just a slight increase in American children's physical activity could save tens of billions of dollars in medical costs and lost wages, new research suggests. The pros and cons of youth sports aren't only physical

**Sky River Soccer Club Monroe - Curt Mann**

A midfielder is an association football position. Midfielders are generally positioned on the field between their team's defenders and forwards. Some midfielders play a disciplined defensive role, breaking up attacks, and are otherwise known as defensive midfielders.
