The culture of Mexico reflects the country's complex history and is the result of the gradual blending of native culture (particularly Mesoamerican) with Spanish culture and other immigrant cultures.. First inhabited more than 10,000 years ago, the cultures that developed in Mexico became one of the cradles of civilization. During the 300-year rule by the Spanish, Mexico became a crossroad for ...

Educational toys (sometimes called "instructive toys") are objects of play, generally designed for children, which are expected to stimulate learning. They are often intended to meet an educational purpose such as helping a child develop a particular skill or teaching a child about a particular subject. They often simplify, miniaturize, or model activities and objects used by adults.
