Culture change is a term used in public policy making that emphasizes the influence of cultural capital on individual and community behavior. It has been sometimes called repositioning of culture, which means the reconstruction of the cultural concept of a society. It places stress on the social and cultural capital determinants of decision making and the manner in which these interact with ...

Albania first came into contact with Islam in the 9th century when Muslim Arabs raided the eastern Adriatic. Islam was first introduced to Albania in the 15th century after the Ottoman conquest of the area. During the 17th and 18th century Albanians in large numbers converted to Islam, often to escape higher taxes levied on Christian subjects. As Muslims, some Albanians attained important ...
