war front issues 1 pdf

The home front of the United States in World War II supported the war effort in many ways, including a wide range of volunteer efforts and submitting to government-managed rationing and price controls. There was a general feeling of agreement that the sacrifices were for the national good "for the duration [of the war]." The labor market changed radically. Peacetime conflicts with respect to ...

United States home front during World War II - Wikipedia

The home front covers the activities of the civilians in a nation at war. World War II was a total war; homeland production became even more invaluable to both the Allied and Axis powers. Life on the home front during World War II was a significant part of the war effort for all participants and had a major impact on the outcome of the war.
