

why photography matters as pdf

Showing why photography matters now as an art requires more than demonstrating that it matters in the way that certain paintings did in the eighteenth century, or that it exhibits deep connections to certain philosophical projects in the twentieth.

Photography Matters as Art as Never Before By Michael

Photography matters, writes Jerry Thompson, because of how it works – not only as an artistic medium but also as a way of knowing. With this provocative observation, Thompson begins a wide-ranging and lucid meditation on why photography is unique among the picture-making arts.

of "Why Photography Matters." It seemed that surely this topic would be straightforward, but when I asked myself why photography is important to me, all I could visualize was image after image that made a difference to me. I could not verbalize a single reason why it made a difference. So, before we get started, I
